

Nathan W. Jones Scholarship Application 2019

Nathan W. Jones was the Head Groundskeeper for the El Paso Chihuahuas and graduated from Michigan State University with a degree in Turf Grass Management. Early on as a student at MSU, it was very evident that Nate would make this his career, but it wasn't until his arrival in El Paso that his career also became his one true passion. His love for turf management wasn't limited to the Chihuahuas ball diamond and extended to many local high school baseball and soccer fields. His love of not only the Chihuahuas but also the people of El Paso is the reason the Jones family wishes to offer this scholarship in his adopted hometown. Our hope is to encourage and support others that have chosen turf management as a career. Special thanks to all the people of the Chihuahuas organization and the people of El Paso for making such a wonderful impact on Nathan's life.

The Nathan W. Jones Scholarship was established for students who are graduating from any of the school districts in El Paso County; the West Texas Counties of Hudspeth, Culberson, Jeff Davis, Reeves, Pecos, Presidio, Brewster, Pecos, Loving, Winkler, Ward, Andrews, Marin, Midland, Upton, Crane, and Ector; Lubbock County; the Southern New Mexico counties of Otero, Dona Ana, Luna, and Hidalgo; and finally the Mexican State of Chihuahua. Applicants must plan to study in the field of Turf Management, which could include sporting venues such as soccer fields, baseball fields, and golf courses, among others. Students should submit the completed application along with supporting documentation to the Paso del Norte Community Foundation.

Scholarship is awarded on a one-time, non-renewable basis in the amount of \$1,000
